Request for Waiver of August 4, 2005 DTV Construction Deadline

Dear Ms. Dortch:

Paxson Communications License Company, LLC ("Paxson"), applicant for construction permit for WPXD-DT (Ann Arbor, Michigan) (the "Station"), by its attorneys, hereby requests waiver of the Commission's August 4, 2005 DTV construction deadline as set forth its *Second DTV Periodic Review Report and Order*.¹ Paxson has submitted an application for a construction permit to construct "checklist" facilities for the Station (FCC File No. BPCDT-20050718ACY). This application remains pending. Accordingly, Paxson seeks waiver of the August 4th deadline until such time as the Commission has an opportunity to process its construction permit application for the Station. Upon grant, Paxson intends to implement the "checklist" facilities promptly.

Please contact the undersigned if you have any questions regarding this matter.

Respectfully submitted,

Scott S. Patrick
